FROM THE PRESIDENT'S PEN....

Worthy Brethren and Brethren,

I hope that all Brethren and their families had a most enjoyable Pesach Chag and Mo'ed.

On 22nd March we held the draw, with the participation of members of Lodge Moledet, for the N.I.S. 10,000 Raffle, in which Brethren from Atlanta, USA, and London, U.K. Lodges participated, in order to assist us. N.I.S. 5000 paid out in Cash prizes, and N.I.S. 5000 - less expenses - will be donated to 40 indigent families in the Ra'anana area.

Thirteen prizes were won, as follows: -

1st prize - Ralph Sher – Atlanta – NIS 1500 (US\$ 411)

2nd prize – Dana Zikry – Netanya- NIS 1,000

3rd prize- Shlonsky's Restaurant - Ra'anana - NIS 500

10 Consolation prizes of NIS 200 each - Israel: - 6

- Atlanta: - 3

- London: - 1.

Together with a friend, I attended the Conference in Jerusalem, dealing with the need to fight against the new wave of anti-Semitism engulfing the world. There were speakers and attendees from across the globe, even a gentleman from Zambia - an opposition member in their parliament - whom I chatted with – obviously very pro-Israel.

If the panelists will achieve what they say they will do, it may , somehow, alleviate the situation.

I was disappointed by the Israeli delegates whose panel was run by former MK Dan Meridor, who kept talking about the "New Right" parties in Europe – who are , generally speaking, pro-Israel - yet negative towards Jews per se'- especially in their countries.

My take on this, as I pointed out during "question time" – was that the new anti-Semitism is in fact driven, not by the New Right, but by the Muslims in Europe – whom I referred to as the new Nazis. This was poo-pooed by Meridor, and the panelists, in fact, swept this problem of Islam "under the carpet," as if this is not a problem at all, and kept insisting that "Islamafobia" must be fought against just as hard as anti-Semitism !

I think they are absolutely naive in their assessment. If the New Right are pro-Israel, we should accept them, up to a point- and certainly NOT fight "Islamafobia" as the Muslims in the world are OUR biggest problem.

Faternally,

Worthy Brother Micha'el S. Bloch.
President.
