## **FROM THE PRESIDENT'S PEN....**

Worthy Brethren, Brethren, and Ladies,

At the outset, may I wish every member of our Lodge, and relicts of Brethren, and their families : " Shana Tova – one filled with health, happiness and success ".

In my youth it used to be that a generation was 50 years , afterwards 60, now, in Israel, it would have to be 80 years, as women live on average to 85 and men to 83 !

So, in less than a generation, Israel has become the 8 th. most powerful nation on earth - where military power, economy, and living conditions – which includes health-care and democracy, are concerned.

If we think back to the condition of the Jewish nation 70 years ago, where we were lower than the lowest pit in Hell, and how this little postage stamp of a country ( with all its massive problems) has developed. It is nothing less than a miracle from HASHEM, and the natural drive that HE bestowed upon HIS beloved nation.

A marvelous example of just such a miracle can be seen by looking at a picture of vast vineyards – where ? : in the Machtesh Ramon – probably the nearest place on earth to the deserts of the moon !

Fraternally yours,

Worthy Brother Micha'el S. Bloch.  
President.

### **EDITORIAL COMMENT :**

As Rosh Hashana approaches, the Editor, and the Editorial Board would like to say a big and appreciative " Thank You " to all those Worthy Brethren and Brethren who have contributed to our efforts to produce a Newsletter that is newsy, informative, and factual. Articles, like our Pesach and Rosh Hashana messages, the " President's Pen ", and other items, are sometimes produced under great pressure, especially when the writers are not in the best of health.

The Editor would also like to say " Thank You " to those who have continually " Part – sponsored " our Newsletter. Your " Part-sponsorship " has greatly assisted our Treasurer, by providing funds to cover the expenses to produce the Newsletter, i.e. Stationery, Postages, and printing costs, which enables him to utilize Lodge funds for charitable purposes.

A happy and healthy New Year to all, and Well Over the Fast.
